

WHEN IN DOUBT REACH OUT

We believe our employees should be able to voice their concerns about tough workplace issues.

Examples of conduct that can be reported: mistreatment of client information (PHI), retaliation for reporting incidents; theft, violations of regulations

Our Hotline allows employees to ask questions or report concerns safely and anonymously.

Call our toll-free number staffed by Ethico, an independent organization, operating 24 hours a day, 7 days a week. You do not have to give your name. Our interviewer will relay the details to your company and give you a reference number you can use to follow up.
